Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Friday 05 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry and cold overnight. Showers arriving on Saturday.

This Evening and Tonight:
Mostly dry with long clear spells during the evening. Some isolated showers over western and northern areas are possible but soon clearing. Remaining dry overnight with frost likely especially under clear skies. Minimum temperature 1 deg C (34 deg F).

Saturday:
Chilly start with sunny intervals across the region. Some short-lived isolated showers developing during the afternoon. Some rain or hill snow is possible later in the east. Maximum temperature 8 deg C (46 deg F).

Outlook for Sunday to Tuesday:
Mostly dry with sunny spells but colder on Sunday with a risk of snow in eastern areas. Remaining dry and bright on Monday. A few wintry showers for Tuesday.
